

# RRB NTPC Syllabus

The syllabus is the first thing that a candidate must know before preparing for the exam. Having knowledge of the syllabus helps to plan and organize the preparation. The syllabus for RRB NTPC is based on sections like maths, general awareness and intelligence, and general intelligence and reasoning. The official notification only mentions the sections to be asked in the syllabus, detailed topic-wise syllabus is presented here based on our analysis of the past years' question papers.

--
