Bengal →

Regional state of Bengal was founded by Murshid Ali Khan.

Fareukhsiyā appointed Murshid - Ali - Khan as Nawab of Bengal in 1717.

Aliwardi Khan appointed Siraj - ud - daulah as Nawab of Bengal in 1756.

But Siraj-ud-dalai was not happy with the policy of British.

He talked to British for doing fortification in Bengal but British denied.

Nawab attacked on British and defeated them. Robert Clive came to help British from Madras.

To solve this problem, Robert Clive & Siraj-ud-daula signed Treaty of Alinagar [Calcutta].
