Exercise-8

pass

One cannot but 1 the sorry 2 Indian politics has come to. Our leadership has become 3 of everything that 4 decay and degeneration in the country's socio-economic and political state of affairs. One really pities the politicians 5 in claiming the calibre and eminence of the leaders who led the 6 for independence 7 the nation's 8 during the first two decades of free India. One wonders whether the present leadership has any 9 outlook and policy or whether it really has a 10 of a prosperous and progressive India.

Come to a sorry pass - in difficult state
