From Newspapers

Ashish Mishra and Karthik Kumar

letters@hindustantimes.com

New Delhi/Gurugram : Roads turned into lakes, homes were flooded, walls fell, and a sea of traffic was marooned in several parts of the national capital region (NCR) on Wednesday after heavy rains exposed, yet again, the fragile state of the civic infrastructure and the lack of preparedness for a season that exposes such flaws every year.

↗ **Maroon** → leave at a faraway place from where no body comes back

Fragile → weak / delicate

flaws → fault - ~~अस~~

From Newspapers

Zia Haq

letters@hindustantimes.com

NEW DELHI : The Centre plans to bring a new legislation to keep the Ganga, Hinduism's holiest river, clean and pollution-free. A draft of the proposed law is currently being vetted by multiple authorities before it will be sent for the Cabinet's approval, people familiar with the matter said.

The proposed law now being drafted will set down legal obligations to prevent pollution, fix biological and effluent parameters to be maintained at all times at key geographical points and cities through which the river flows, an official said.

Legislation - law

Holiest - pure

Vetted → screen
check content
and quality

Set down → give a rule/
law

Effluent - liquid waste

From Newspapers

Basin → land part

अवस्य
Affluent -
effluent -
→ liquid waste

The law will have a 'polluters-pay' approach, which means illegal factories will be shut down and permitted ones will be required to treat their sewage.

The eight states of the Ganga basin, where the law will be especially applicable, include Uttar Pradesh, Bihar, West Bengal, Delhi and Haryana. p9
