# Former Union Minister Raghuvansh Prasad dead

He was an architect of the MGNREGA programme

NISTULA HEBBAR  
NEW DELHI

Former Union Minister Raghuvansh Prasad Singh, 74, passed away on Sunday morning in New Delhi after a prolonged illness. He was admitted to the All India Institute of Medical Sciences in New Delhi in the second week of August with post-COVID-19 complications. He was under treatment for a lung infection and was put on ventilator on September 6 after his condition worsened. He is survived by three children.

The five-time Lok Sabha MP representing Vaishali was in the news recently for expressing his disenchantment with the way his party for 32 years, the Rashtriya Janata Dal (RJD), was being run, and handwritten letters, attributed to him, were being circulated as his resignation from the party.

Former Bihar Chief Minister Lalu Prasad, whose trusted lieutenant Mr. Singh had

Raghuvansh Prasad Singh

of the socialist ideological school and was made Minister of State for Energy in the Karpoori Thakur government in Bihar in 1977. He remained active in the Bihar Assembly till he fought his first Lok Sabha election in 1996, when he was made a Minister of State in the Union government.

## Support of Lalu Prasad

His political fame grew parallel to his electoral victories, the biggest part of it being his support of the then largely unknown Mr. Lalu Prasad for the post of Bihar Chief Minister in 1989. While

(MGNREGA), the UPA government's flagship programme, as the Minister for Rural Development (2004-09). In striking a balancing act between reform-minded Prime Minister Manmohan Singh and Deputy Chairman of the Planning Commission Montek Singh Ahluwalia, and the more rights-based NGO approach of the Sonia Gandhi-led National Advisory Council, it was Mr. Singh's sincerity and ability to reel off relevant statistics that managed to land the Bill into the statute books.

"You are anti-rural, anti-poor," would be his refrain towards North Block while struggling with financing the MGNREGA. In 2016, when the Congress marked 10 years of the scheme, Mr. Singh was absent from the festivities. However, he did not hold a grudge, as he was satisfied that he had seen the law through to implementation. "Haani, laabh, yash, karam, vidhi baith (profit

## US OPEN

AGENCE FRANCE-PRESSE  
NEW YORK

Japan's Naomi Osaka overcame Victoria Azarenka of Belarus 1-6, 6-3, 6-3 to win her second US Open on Saturday and clinch her third Grand Slam title.

"It was a really tough match for me," the 22-year-old fourth seed said following her 1hr, 53min victory that made her richer by \$3 million.

The unseeded Azarenka, 31, sprinted to the first set in just 26 minutes, dominating Osaka with an 88% success rate on her first serve. The Japanese was uncharacteristically sloppy, hitting a whopping 13 unforced errors.

### Momentum shifts

Azarenka went 2-0 ahead in the second set before Osaka

vour and she broke a third time to push the match to a deciding set.

"I just thought it would be very embarrassing to lose this in under an hour so I just have to try as hard as I can and stop having a really bad attitude," said Osaka, explaining the turnaround.

Osaka enjoyed the first breakthrough of set three to take a 3-1 lead. Azarenka saved four break points to make it 4-2 as she battled to keep the contest alive.

When she broke Osaka in game seven, the set was back on serve. But Osaka immediately broke back after Azarenka pushed a forehand wide to leave herself the opportunity of serving for the match and title.

Osaka had walked onto the court wearing a mask bearing the name of Tamir Rice, a 12-year-old African-

## RBI targets compliance at banks with CCO norms

The Reserve Bank of India (RBI) has laid down guidelines for the appointment of a chief compliance officer (CCO) in banks to ensure a uniform approach with regard to compliance and risk management culture across the banking industry.

The CCO should be appointed for a minimum fixed period of three years.

भारतीय रिजर्व बैंक (आरबीआई) ने बैंकों में मुख्य अनुपालन अधिकारी (सीसीओ) की नियुक्ति के लिए दिशा-निर्देश निर्धारित किए हैं ताकि बैंकिंग उद्योग में अनुपालन और जोखिम प्रबंधन संस्कृति के संबंध में एक समान दृष्टिकोण सुनिश्चित किया जा सके ।

सीसीओ की नियुक्ति न्यूनतम तीन साल की तय अवधि के लिए की जानी चाहिए।

He must be appointed in the rank of a general manager or not below two levels of the rank of CEO.

The CCO will not have any reporting relationship with business verticals nor have any business targets.

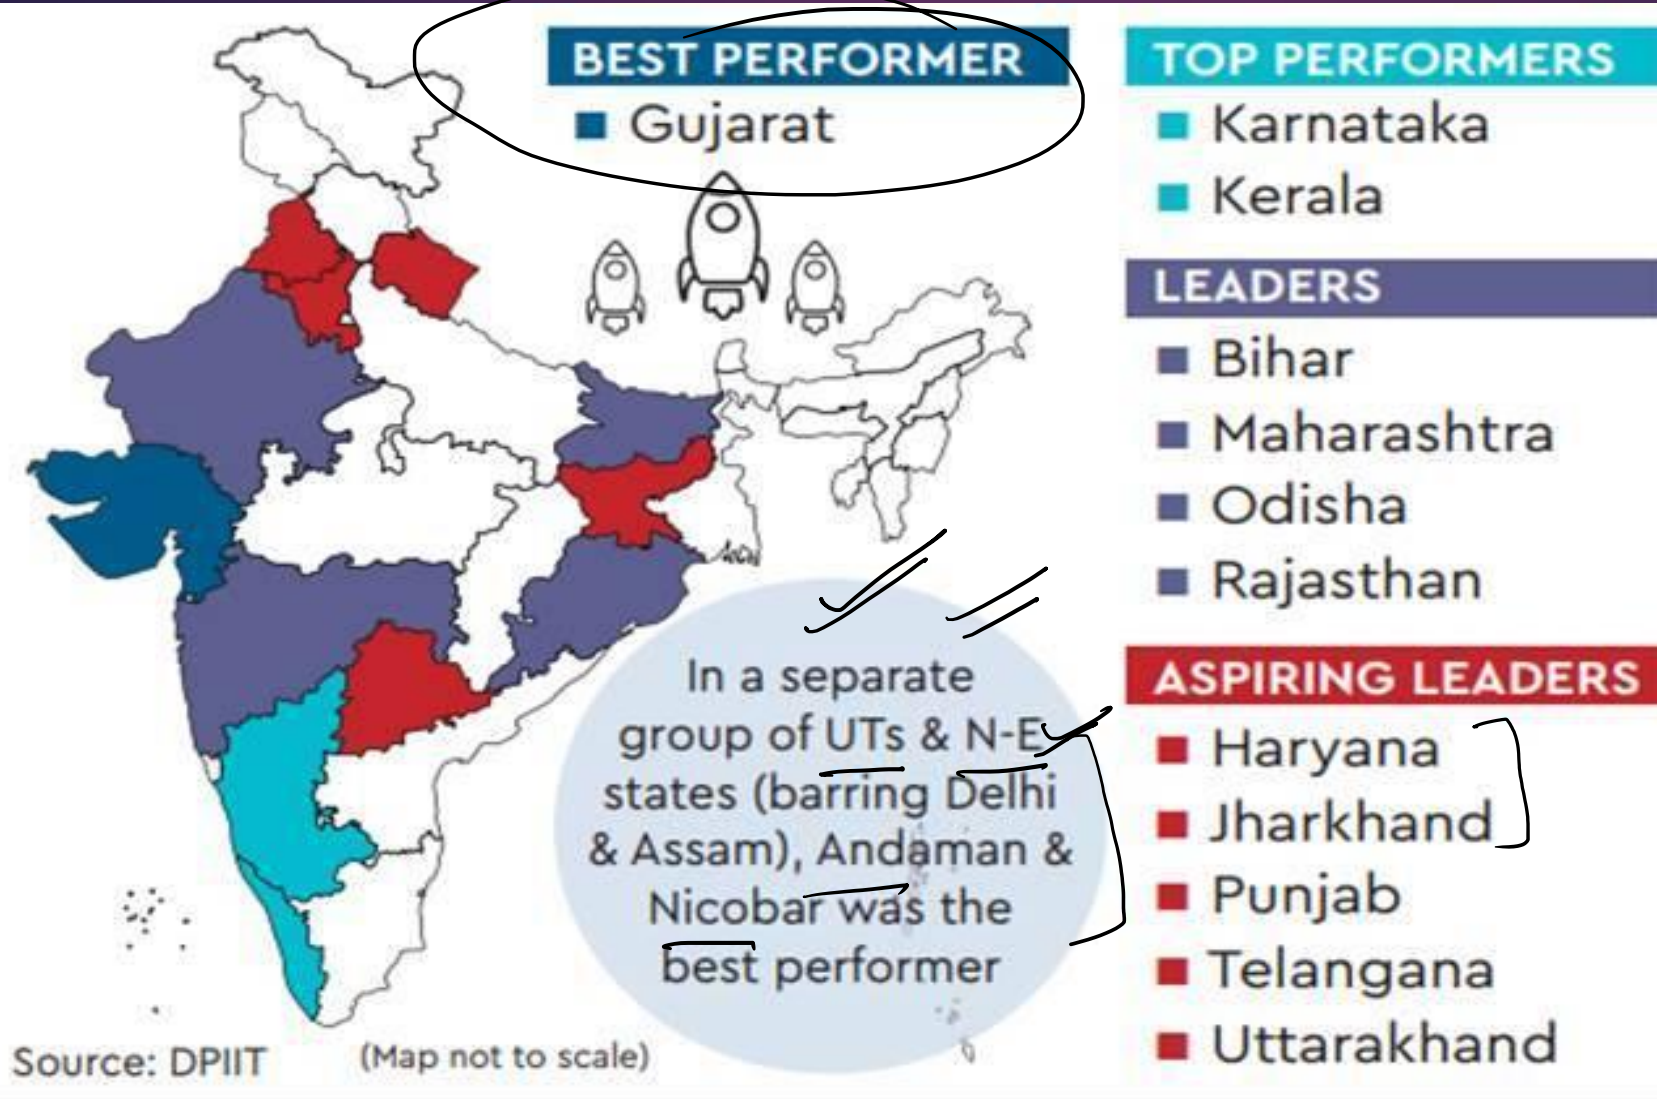

The CCO shall not be given any responsibility which brings elements of conflict of interest, especially the role relating to business.

उसे महाप्रबंधक के पद पर नियुक्त किया जाना चाहिए या सीईओ के रैंक के दो स्तरों से नीचे नहीं होना चाहिए ।

सीसीओ का बिजनेस वर्टिकल के साथ कोई रिपोर्टिंग रिलेशनशिप नहीं होगा और न ही कोई बिजनेस टारगेट होगा ।

सीसीओ को ऐसी कोई जिम्मेदारी नहीं दी जाएगी जो हितों के टकराव के तत्वों, विशेष रूप से व्यापार से संबंधित भूमिका को लाती हो ।

The second edition of startup ranking of States and Union Territories has been released by the Department for Promotion of Industry and Internal Trade (DPIIT).

A total of 22 States and 3 UTs participated in the exercise.

# NIMHANS develops new Indian Brain Templates

Indian Brain Templates (IBT) and the brain atlas developed by neuroscientists from NIMHANS.

While some countries have their own scale to measure the brain, India is still dependent on the **Caucasian brain template** to compare and diagnose the Indian brain scans.

9/9/21/4

भारतीय मस्तिष्क टेम्पलेट्स (आईबीटी) और मस्तिष्क एटलस NIMHANS से न्यूरोसाइंटिस्ट द्वारा विकसित की गई ।

हालांकि कुछ देशों के मस्तिष्क को मापने के लिए अपने पैमाने पर है, भारत अभी भी भारतीय मस्तिष्क स्कैन की तुलना और निदान करने के लिए कोकेशियान मस्तिष्क टेम्पलेट पर निर्भर है ।

# Cosmos modelling

As the light emitted by distant galaxies passes by massive objects in the universe, the gravitational pull from these objects can distort or bend the light. This is called gravitational lensing.

चूंकि सुदूर आकाशगंगाओं द्वारा उत्सर्जित प्रकाश ब्रह्मांड में बड़े पैमाने पर वस्तुओं से गुजरता है, इसलिए इन वस्तुओं से गुरुत्वाकर्षण पुल प्रकाश को विकृत या मोड़ सकता है ।

इसे गुरुत्वाकर्षण लेंसिंग कहा जाता है।

Gravitational lensing enables **observations of the distant universe.**

A recent scientific study has revealed that even smaller concentrations of matter can show gravitational lensing

गुरुत्वाकर्षण लेंसिंग सुदूर ब्रह्मांड की टिप्पणियों को सक्षम बनाता है।  
हाल ही में एक वैज्ञानिक अध्ययन से पता चला है कि पदार्थ की भी छोटी  
सांद्रता गुरुत्वाकर्षण लेंसिंग दिखा सकते हैं

# Question No: 1

Union cabinet gives approval to increase the FDI limit in Defence sector from 49% to \_\_\_\_\_ (through automatic route).

केंद्रीय मंत्रिमंडल ने रक्षा क्षेत्र में एफडीआई की सीमा 49 प्रतिशत से बढ़ाकर स्वतः मार्ग से बढ़ाने को मंजूरी दी।

- A. 64%
- B. 51%
- C. 74%
- D. 100%

Answer – 74%

# Question No: 2

The Rafale aircrafts were inducted into the Indian Air Force's 17 squadron 'Golden Arrows'. The Rafale was manufactured by which company?

राफेल विमानों को भारतीय वायु सेना की 17 स्क्वाड्रन 'गोल्डन एरो' में शामिल किया गया था। राफेल का निर्माण किस कंपनी ने किया था?

- A. Lockheed Martin
- B. Boeing
- C. Dassault Aviation
- D. Airbus

Answer — (Dassault Aviation)

# Question No: 3

Where does the CSIR-Indian Institute of Toxicology Research located?

सीएसआईआर-इंडियन इंस्टीट्यूट ऑफ टॉक्सिकोलॉजी रिसर्च कहाँ स्थित है?
