Thomas and Uber Cups (postponed)

World champion Sindhu welcomes the 'right' decision

BADMINTON

SPECIAL CORRESPONDENT

NEW DELHI

The Badminton World Federation (BWF) has decided to postpone the Thomas Cup and Uber Cup, scheduled at Aarhus (Denmark) from October 3 to 11, until next year.

Badminton Association of India (BAI) secretary Ajay Singhania said: "BAI stands by this decision taken by the BWF considering the health and safety of all concerned."

"It is good that the organisers have taken this decision. Player safety is important and it is not the right time to play and take a huge risk on the health front," P.V. Sindhu told *The Hindu* in Hyderabad.

Asian nations to blame

Talking to PTI, former India coach Vimal Kumar blamed the withdrawals by Asian nations like Indonesia and Korea for the postponement calling it a "big setback" for the sport.

Govt. refuses demands to restore MPLADS funds

Opposition MPs raise issue amid debate on salary cuts Bill

SPECIAL CORRESPONDENT
NEW DELHI

The Lok Sabha on Tuesday passed the Salary, Allowances and Pension of Members of Parliament (Amendment) Bill, 2020, which seeks to cut salaries of MPs by 30%. The debate however saw the entire Opposition uniting to ask for a concomitant restitution of the Members of Parliament Local Area Development (MPLADs) fund which the Centre froze for two financial years till 2022 as an austerity measure.

Minister for Parliamentary Affairs, Pralhad Joshi, steering the Bill, thanked MPs for the bipartisan support but kept mum on the question of restitution of MPLADS, despite almost every non-treasury bench speaker demanding it. Dean Kuriakose of the Congress moved a resolution before the debate on the Bill, stat-

Pralhad Joshi

ing his disapproval of the Bill without any restitution of MPLADS.

DMK MP Kalanidhi Veeraswamy spoke on the need for MPLADS as a fund sensitive to local developmental needs. "The cut in salary will raise a maximum of ₹54 crores, while the Union government is set to spend ₹20,000 crore for a new Parliament, a needless expense at this time of austerity and crisis," Mr. Veeraswamy said.

Trinamool Congress MP Saugata Roy pointed out that

the government had not allocated the last tranche of the funds due for 2019-20. "I had allocated ₹50 lakh for a COVID-19 hospital in my constituency from the funds due from 2019-20 financial year but even that has not been disbursed by the government," he said. "Even BJP MPs feel this way but since Prime Minister Modi has 303 MPs in the Lok Sabha, he doesn't value their opinion," he added.

The BJD and the YSRCP echoed these sentiments. Pinaki Mishra of the BJD said, "It is not our fund; it is a fund for the people, by the people, of the people."

At this, N.K. Premachandran of the Revolutionary Socialist Party, who was occupying the presiding officer's chair, said the sentiments expressed by Mr. Mishra were perhaps "the Sense of the House".

2022

Suspend

Members of Parliament Local Area Development Scheme

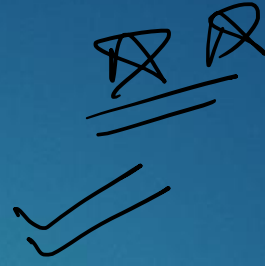

- ▶ It was announced in December 1993 and initially came under the control of the Ministry of Rural Development.
- ▶ Later, in October 1994, it was transferred to the Ministry of Statistics and Programme Implementation.
- ▶ It is a Central Sector Scheme. The annual MPLADS fund entitlement per MP constituency is ₹5 crore.

Seminar

PRASHAD Scheme

The Union Ministry of Tourism has developed tourism related infrastructure and facilities at various Buddhist sites in the country under Swadesh Darshan and Prasad (PRASHAD) schemes.

केंद्रीय पर्यटन मंत्रालय ने वर्ष 2014-2015 में तीर्थस्थल संरक्षण एवं आध्यात्मिक विकास के लिये 'प्रसाद' (Pilgrimage Rejuvenation and Spiritual, Heritage Augmentation Drive- PRASHAD) परियोजना की शुरुआत की है।

The Union Ministry of Tourism has launched the 'Visit' (Pilgrimage Rejuvenation and Spiritual, Heritage Augmentation Drive-PRASHAD) project for pilgrimage conservation and spiritual development in the year 2014-2015.

बौद्ध सर्किट में स्वदेश दर्शन के तहत स्वीकृत परियोजनाओं की मुख्य सूची निम्नलिखित है:

1. लखनऊ सर्किल के शाक्य पिपरावा (Sakyas Piprahwa) के मठ, साइट एवं स्तूप
2. लखनऊ सर्किल में श्रावस्ती (Sravasti)
3. सारनाथ सर्किल का प्राचीन बौद्ध स्थल
4. सारनाथ सर्किल का चौखंडी स्तूप (Chaukhandi Stupa)
5. सारनाथ सर्किल के बौद्ध अवशेष एवं कुशीनगर स्थित महापरिनिर्वाण मंदिर

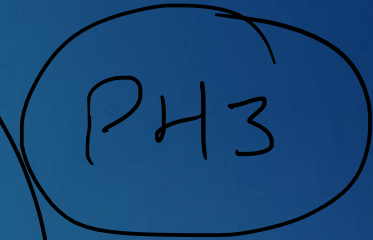

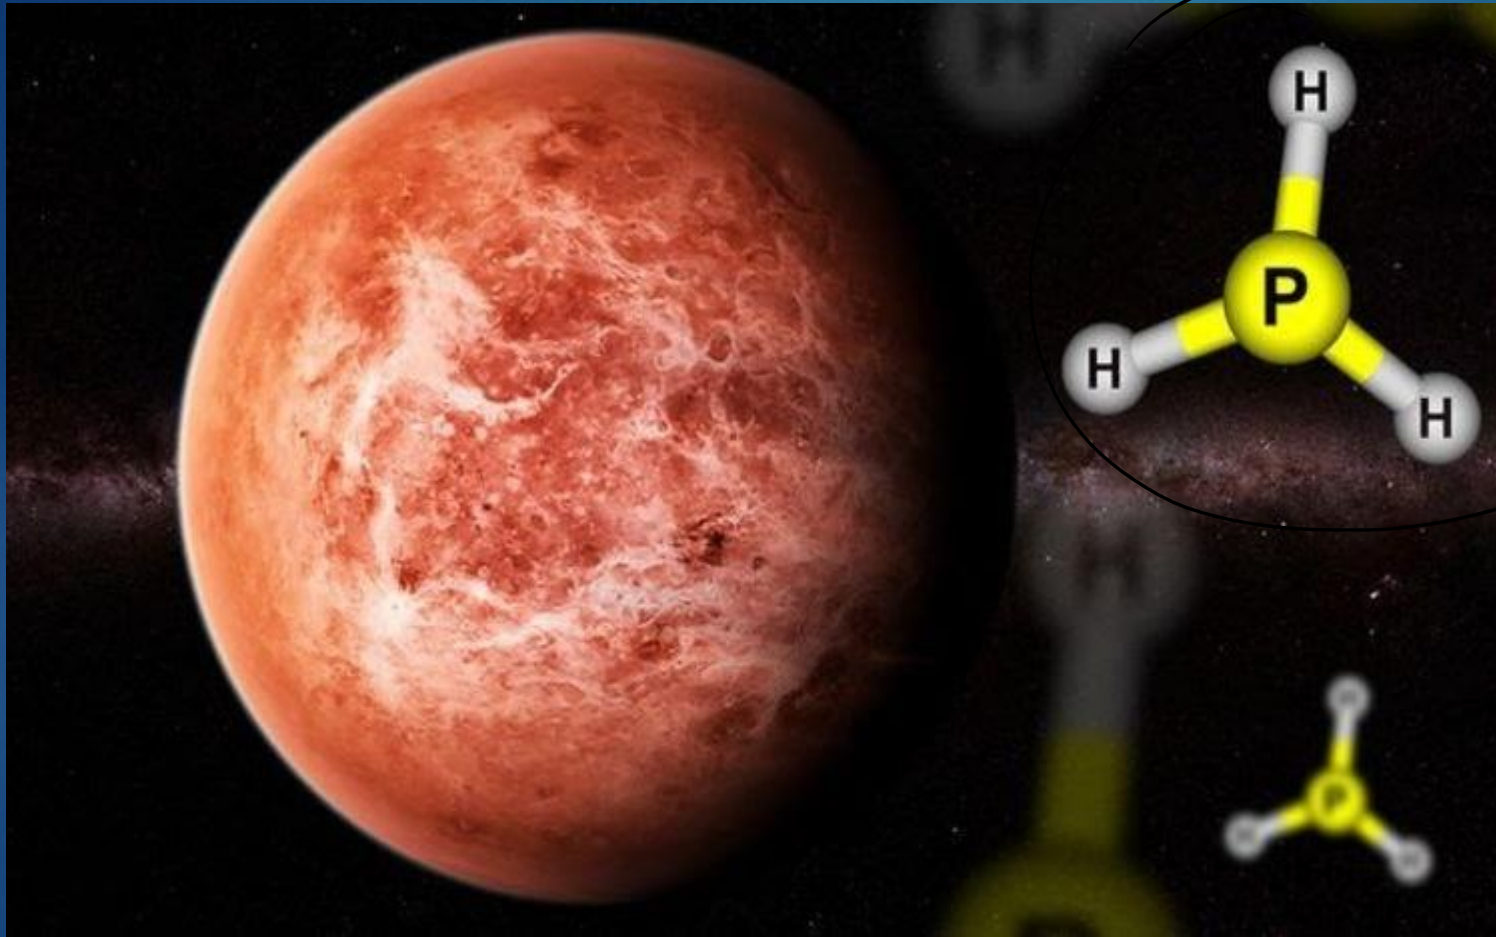

Following is the main list of projects sanctioned under Swadesh Darshan in the Buddhist Circuit:

1. Monastery, Site and Stupa of Sakyas Piprahwa of Lucknow Circle
2. Shravasti in Lucknow Circle
3. Ancient Buddhist site of Sarnath Circle
4. Pankhandi Stupa of Sarnath Circle (Chaukhandi Stupa)
5. Buddhist relics of Sarnath Circle and Mahaparinirvana Temple at Kushinagar

The discovery of phosphine gas in the atmosphere of Venus

शुक्र के वातावरण में फॉस्फीन गैस (Phosphine Gas) की खोज के बारे में खगोलविदों की एक अंतर्राष्ट्रीय टीम की एक घोषणा ने शुक्र ग्रह पर जीवन की उपस्थिति की संभावना को बढ़ाया है।

An announcement by an international team of astronomers about the discovery of Phosphine Gas in venus' atmosphere has raised the likelihood of the presence of life on Venus.

शुक्रायण (Shukrayaan):

आने वाले समय में भारतीय अंतरिक्ष अनुसंधान संगठन 'शुक्रायण' (Shukrayaan) के नाम से एक वीनस मिशन या शुक्र मिशन की योजना बना रहा है।

In the coming time, the Indian Space Research Organisation is planning a Venus mission or Venus mission in the name of 'Sperayan' (Shukrayaan).

शुक्र ग्रह:

- ▶ शुक्र ग्रह को पृथ्वी की जुड़वाँ बहन (Sister Planet) के नाम से भी जाना जाता है।
- ▶ शुक्र सौरमंडल का सबसे चमकीला ग्रह है।
- ▶ इसे भोर का तारा (Morning Star) और सांझ का तारा (Evening Star) कहा जाता है।
- ▶ यह सूर्य से दूसरा सबसे निकटतम ग्रह है।
- ▶ मैगलन अंतरिक्ष यान (Magellan Spacecraft) को राडार मैपिंग मिशन के तहत शुक्र ग्रह पर वर्ष 1989 में भेजा गया था।

NASA

Venus: ✓✓

- ▶ Venus is also known as the Twin Planet of the Earth.
- ▶ Venus is the brightest planet in the solar system.
- ▶ It is called morning star and evening star.
- ▶ It is the second closest planet to the sun.
- ▶ The Magellan Spacecraft was sent to Venus in the year 1989 under the radar mapping mission.

ग्रेफीन मास्क

हाल ही में सिटी (यूनिवर्सिटी ऑफ हॉन्गकॉन्ग) ने जीवाणुरोधी क्षमता वाला एक ग्रेफीन मास्क (Graphene Masks) विकसित किया है, जो कि तकरीबन 80 प्रतिशत जीवाणुओं को समाप्त कर सकता है।

Graphene Mask

Recently, the City University of Hongchg has developed a Graphene Mask with antibacterial capacity, which can eliminate about 80 per cent of bacteria.

HANTAVIRUS

- Hantaviruses are a family of viruses spread mainly by rodents and can cause varied disease syndromes in people.
- Hantaviruses in the Americas are known as “**New World**” hantaviruses and may cause hantavirus pulmonary syndrome (HPS).

हंटावायरस

Hantaviruses वायरस का एक परिवार है जो मुख्य रूप से कृंतक द्वारा फैलाया जाता है और लोगों में विभिन्न रोग सिंड्रोम का कारण बन सकता है।

अमेरिका में Hantaviruses "नई दुनिया" hantaviruses के रूप में जाना जाता है और hantavirus फेफड़े सिंड्रोम (एचपीएस) का कारण बन सकता है।

Other hantaviruses, known as “Old World”
Hantaviruses, are found mostly in Europe and
Asia and may cause **hemorrhagic fever with
renal syndrome (HFRS)**.

Each Hantavirus serotype has a **specific rodent
host species** and **spreads to people via
aerosolized virus** that is shed in urine, feces,
and saliva, and less frequently by a bite from
an infected host.

✓
अन्य hantaviruses, "पुरानी दुनिया" Hantaviruses के रूप में जाना जाता है, ज्यादातर यूरोप और एशिया में पाए जाते हैं और गुर्दे सिंड्रोम (HFRS) के साथ रक्तस्रावी बुखार का कारण बन सकता है।

प्रत्येक हंटावायरस सेरोटाइप में एक विशिष्ट कृतक मेजबान प्रजातियां होती हैं और यह एयरोसोलाइज्ड वायरस के माध्यम से लोगों में फैलती है जो मूत्र, मल और लार में बहाया जाता है, और संक्रमित मेजबान से काटने से कम बार होता है।
