In Maharashtra, the samples of dead crows from Mumbai, Thane, Dapoli, Parbhani and Beed districts have been sent to Bhopal-based ICAR-National Institute of High Security Animal Diseases (ICAR-NIHSAD), it added.

The Centre on Saturday said the outbreak of bird flu or avian influenza has been reported in Uttar Pradesh, taking the total number of affected states to seven.

However, the confirmation of bird flu in Delhi, Chhattisgarh and Maharashtra, is awaited as the samples have been sent for testing, it said.
